User authentication and authorization

- **Connection to AT and EE Identity Providers**
- **Working on the specifications with DIGIT, DG CNECT**
- **Preparation for compatibility with eIDAS Directive - Electronic IDentification Authentication and trust Services**
- **European Commission will set up in 2024 a workgroup for the eID 2.0 initiative, including roles for all professions**
- **Circle of trust for cross-border access of legal professionals**

Central payment solution

- **Call for tenders to be launched for contracting a Payment Services Provider**
- **VAT: Tax Calculation Module (TCM) will be available for demonstration to Member States in October 2019**
- **Invoicing: Member State survey for BRIS shows a wide preference for option 3: e-Justice Portal gathers the invoicing information from the Land Registers, generates the invoice on their behalf, and delivers it to the user.**
